Forecast For Dumfries, Galloway, Lothian & Borders
Issued by Met Office Aberdeen
at 0400 on Friday 25 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with some rain, heavy especially in east this afternoon.

Today:
Generally cloudy with outbreaks of rain, the rain mostly light this morning. This afternoon, the rain becomes more persistent and occasionally heavy, especially across eastern hills. Much cooler than yesterday and feeling even cooler in the occasionally strong northerly breeze. Maximum temperature 16 deg C (61 deg F).

Tonight:
A cloudy evening with further outbreaks of rain, these occasionally heavy over eastern hills. The rain becomes lighter and patchier overnight and increasingly confined to the east. Winds slowly easing. Minimum temperature 8 deg C (46 deg F).

Saturday:
A rather cloudy start with, mainly in east, outbreaks of light rain. However western parts become brighter with sunny spells developing and the east becomes mainly dry in the afternoon. Maximum temperature 19 deg C (66 deg F).

Outlook for Sunday to Tuesday:
Risk of a few showers on Sunday but generally plenty of dry weather with sunny spells through the coming days. It will become increasingly warm with mainly light winds.
